

Essential Reading

People told us that they want to learn more about connecting their faith to their everyday work, but also said that they didn't know where to find good material. We recommend these books – if you read these, you will have covered the basics of a Christian perspective on work.

Fruitfulness on the Frontline by Mark Greene

Published by Inter-Varsity Press 2014

If you want to go deeper into the topic of faith and work, it's helpful to have a clear understanding of an integrated, reformational worldview. This short volume was originally written for first year theology students, but is also very valuable in setting the context for why secular work is also sacred, Kingdom work.
