CONFERENCE FOR LEADERS, MINISTRY TEAM AND THE WHOLE CONGREGATION

'Person, Presence, Power: these three realities are what the Holy Spirit meant for the Apostle Paul. Here we will have the veil removed so that we might behold God's glory so that we are renewed into his likeness. Here we will expect and see both the working of miracles and the fellowship of the sufferings...' **GORDON FEE**

Please bring your own lunch. Other refreshments provided.

JOHN ARNOTT

GUEST SPEAKER: John Arnott from Toronto Christian Fellowship

John Arnott saw an extraordinary move of God, beginning in 1994 in Canada and spreading throughout the world. The name: 'The Father's Blessing' described the nature of this outpouring which had to do with powerful assurance, healing, repentance, and change. This renewal spread widely and revitalised many Churches and some of its fruits are still seen in movements like 'New Wine' and 'Soul Survivor.' John has become like a father to many and we are glad that John is returning to Oxford, where he has preached before, to help us seek and receive God's Empowering Presence.
