

Discussion one

On the nations, and the oppressed

We are now half way through the study on God's heart for Racial Justice and reconciliation. At this point in the study we encourage you, together with your smallgroup, to reflect on the past two weeks where we explored God's heart for All Nations and for the Unseen and Marginalised. You may have had certain questions you would like to revisit, or didn't have enough time to cover. Or you may want to take some extended time in discussion and prayer this week. Therefore, this week is an opportunity for you to take the time to do so.

We also suggest the following as a guide for your conversations this week. We encourage you to reflect on the scriptures we've explored, as well as any others that come to mind whilst you discuss the study together. Close your time together in prayer, seeking the Holy Spirit to be at work in each of you as you close your time in discussion.
